- If your flyer is not linking properly, please contact Gloria by email

- Working on adding pictures from the Birch Run event of July 16-17

Regional Membership – Joe Scafero

- During the month of August it is suggested that you suspend adding new members to your database until September 1st. The reason for this suspension is to avoid the new members having to pay a renewal fee when the database is switched over to renewals in October. Just to be clear, any members you enter in after September 1st, their membership will be valid for the balance of the year and next year. If it is absolutely necessary to add someone in August, please tell them that they will be obligated to renew and their join dates cannot be adjusted. I'm sending this note to you that if you plan on adding new members, get it done by the end of July.
- Any questions----contact me.

Regional Competition – Rene Cardenas

Absent

Regional Executive - George Duncan

- The question about a member of one club acting as a (voting) officer of another club recently came up.
- NCCC defines a member as belonging to the club where their NCCC number is with and to where their NCCC dues are paid.
- Another point to keep in mind is that the National NCCC meetings are Governor's meetings. Thus, Competition Representatives from the clubs are not specifically mentioned, in terms of voting members, at the national level.

- NCCC By-laws (see excerpt from XIII below), the rules are defined for Governors and Regional Officers. It clearly states that a proxy Governor must be from the same club and that a proxy Regional Officer must be from the same Region.
- Robert's Rules of Order (which we follow) states that any one individual would only get a single vote. What that means is that if a person is an officer of one club, he/she can NOT vote on behalf of other clubs. Thus, the other club would lose their vote.
- For the Michigan Region, I believe that we must follow the <u>intent</u> of these By-laws and extend the concept to Competition Directors at the club level. And, if necessary, we can amend the Regional By-laws to spell this out. Note that the change wouldn't go into the National By-laws because, again, Competition Directors aren't specifically addressed at that level and do not get a vote.
- So, my firm opinion is that a member from club 1 can NOT act as an officer (any position) for club 2 or club 3. The only work-around would be for that member to change his/her primary club affiliation.
- Please remember that, there is no reason why someone from club 1 can't help or coach an officer from club 2 or 3.
- Supporting NCCC By-Law: (excerpt from Article XIII) SECTION 5, Attendance
 - A. General.

 $\circ\,$ Each club will be represented at no less than three regularly scheduled meetings of the Board.

B. Proxy Governor.

 A Governor may authorize another NCCC member of his/her club to act for him/her during a Governors' weekend. The Proxy Governor must be a member of the Corporation through the club he/she is representing. Attendance will be recorded based on the completion of the sign-in form.

- C. Proxy Officer.
 - Excluding the President and the Past President, proxy Regional and National (elected and appointed) officers, as selected by the absent officer, are permissible for the Governors' weekend. The proxy Regional officer must be a member of the Corporation in the Region he/she is representing. All rights and privileges are transferable. Board of Governors approval is required.
