## Regional Membership – Joe Scafero

- Absent. The following is Joe's report:
- The database will be shutdown around Oct 14<sup>th</sup> for switchover to the renewals mode and will re-open probably a couple of days later. If you add any new members prior to the switchover, they will appear in your database as "**Auto Renew**". Please keep track of those new members to make sure they will appear as **Auto Renew** for 2023. New members can also be entered during the renewal period and as usual an application would be required.
- I will be sending out the 2023 Renewals Guide shortly after the Sep National Gov Mtg.
- The club deadline for getting your renewals to me for processing will **most likely be Nov 30th**. I'll be confirming that date when I send out the guide. In the past there have been a couple clubs (who will remain anonymous) who push their club renewals to almost the last minute and I had to plead with them to get their renewals completed. I ask you to please adhere to the date I set and send me your renewals by that date. Within my own club we begin the renewal process sometime in September and I keep track of those renewals so that I am ready when the database is converted over. Remember, and I will remind you, that you need not wait until all of your renewals are in before entering into the database. You may go in and out of the database several times before it is shutdown for 2022 renewals.
- I will be going to St Louis for the National Meeting. If you have anything that you wish me to bring up (membership related) at the RMD meeting, please let me know

## Regional Competition – Rene Cardenas

- Rene discussed several previously proposed NCCC By-law and Standing rule changes. These previously discussed rule changes are being re-introduced at the next RCD meeting. The group had a discussion regarding these changes.
- Discussed proposing the MI Region By-law change to remove the 11% rule
- Please contact Rene if you any unused sanctions that he may use

## Regional Executive – George Duncan

- George brought up some proposed By-law changes coming up at the next RE meeting
- Two were Standing Rules affecting competition

- A proposal has been made to change the way voting takes place for the Rule Book. These changes would do away with the “All or Nothing” voting for the Rule Book.

## **6.0 Committee Reports**

### **6.1 2022 MI Region Awards Banquet**

- FCC is recruiting sponsors for the 2022 Awards Banquet in April 2023

### **7.0 Old Business**

- None

### **8.0 New Business**

- None

### **9.0 Health Updates**

- Bob Hartman – RCWM – Bob is recovering from knee replacement surgery on Aug 25
- Roy Bailey – CCCC – Roy will be having double by-pass surgery later in September

### **10.0 General Comments**

- The subject regarding vendor booths at the NCCC convention was brought up. It was noted that there was a political based vendor booth in attendance at the last NCCC convention. It was questioned why this would be allowed? And who allowed this vendor to attend the NCCC convention? If the convention committee has a political vendor, shouldn't there also be a political vendor booth from the opposing political party? There was not. Some members feel that political and religious vendor booths do not belong at the NCCC conventions. After a short discussion an informal vote was taken, by show of hands, of how many others felt that political or religious vendor booths don't belong at the NCCC Corvette conventions. The informal vote showed that the majority don't think political or religious vendor booths belong at NCCC conventions.
