Just send me the info in a Word document. You can include a few pictures as well. I will link to the page I create via your club logo on the "Home" and "Join..." pages.

- On the agenda in St Louis this Friday: 51% membership review, discussion of dues increasing and extension of the renewal deadline.

- A MAL can become a member by sending the application to the NCCC VP of Membership
- There is a NCCC application online that can be edited, filled out and printed. I do not want to receive a club application in place of the NCCC application. It must be an official NCCC application. Make sure applications are readable.

7.0 Old Business

7.1 Survey Results and Updates

- George Duncan put out a survey to Governors
- The survey results were discussed at our region meeting including dues and future marketing of NCCC
- There has been an ongoing discussion about increasing the NCCC dues. The survey reflected that the majority of the Governors indicated that a "Moderate" increase is preferred and this also aligns with the "needs" stated by the E-Board.
- There has not been an increase in NCCC dues since 1985
- In moving NCCC into the future this would involve things like being able to pay dues with a credit card, advertising/marketing NCCC and website improvements
- The survey results were very positive and indicate that we should be seeking volunteer help from with NCCC

- We have already solicited members with a marketing background to help get us started in this direction.
- If you have any questions, comments, concerns, please call or email me.
