Webmaster – Gloria Reiffer

- I've updated the website with upcoming events. I have added contact info for Westshore Corvettes and will update their info once their logo has been approved and their website goes live. As a reminder, I can build a freestanding page, hosted on the Region site, for any club that doesn't currently have their own website. Just send me the info you would like included.
- Kyle Felts informed me that the links on NCCC's "Find a Club" page were still pointing to the former Region web address. I forwarded the information to Walt Jenkins and he corrected it immediately.
- I ran a 12-month web analytics report for micorvette.org today. Since September 9, 2024, we've had 8,919 visitors with an average duration of 99 seconds. The most popular web browsers used were Chrome with 2,764 visits; Edge with 1,811 visits; Safari with 729 visits; and Firefox with 161 visits. Mobile phone visits included 2,318 using Apple IOS devices; and 985 using Android devices. Overall page visits included 4,610 to the "Home" page; 2,823 visits to "Event Flyers;" 1,832 visits to "Points Standings;" and 801 visits to the "Calendar."
- I have the full report available if anyone wishes to see it.

- **Closing Humor / Personal Note**
- Rene has really kept us busy. He's put us to work harder than a timing light at a drag strip, but it's been worth it. Having him as VP of Comp has been a huge asset for all of us, and for me personally, it's been quite a privilege to serve as RCD during his time. I just hope the next person in this chair gets to enjoy working with him as much as I have — though maybe with a little less homework
- Will be sending Funkhana rules to Governors
- Scott Kennedy - he would like to see more for FCOA and youth activities at conventions

Regional Executive – Kathy Duncan

- The M1 Concourse – NCCC booth overall went well
- Several region members were in the car flag
