

NCCC / GREAT LAKES HIGH SPEED CHAMPIONSHIP SERIES RULES

A. OBJECTIVE

1. Participant's objective in this Series is to accumulate the fastest lap time possible, from each track in the Series, to apply towards a total time score.
2. Since the Series takes place in several NCCC Regions, participants must pay close attention and adhere to the rules as specified by the respective individual track events, organizer rules, and/or NCCC Regions.

B. DRIVER ELIGIBILITY

1. Open to all NCCC members, Non-NCCC Corvette Owners/Drivers, and Non-Corvette Drivers using any other sports car make.
2. NCCC members must have a current NCCC High Speed License to participate.
3. If you do not have a NCCC High Speed License, you must complete one of the following to receive one.
 - a. Applicant must compete in at least ten (10) low speed autocrosses within the preceding eighteen (18) months in order to obtain certification to compete in NCCC High Speed Events. The ten events must have taken place over a minimum of three (3) weekends.
 - b. Proof of completion of a recognized performance driving school within the preceding eighteen (18) months.
 - c. Attend one of the Driving Schools that is part of one of the Event activities in the Great Lakes High Speed Series.
 - d. Show at registration, a current wheel to wheel competition license from SCCA, NASA, or other recognized competition licensing organization. SCCA Solo 1 or NASA HPDE 3 or higher certified is also acceptable.
4. Non-NCCC members are not required to have a NCCC High Speed License, but must meet one of the same requirements as item #3 above.

C. CAR CLASSIFICATION

1. All Corvettes will be classed per NCCC rulebook.
2. Non-Corvettes will be classed by Make and level of preparation.

D. SCORING

1. Scoring is based on each participant's fastest lap time from each track during the High Speed Time Trials.
2. The participant's fastest lap time from each track are totaled together for a

cumulative total time score.

3. The lowest cumulative total time score is considered the winner in each NCCC class and each Non-Corvette class.
4. Scoring has to be from the same NCCC class or Non-Corvette class throughout the Series. Combining times from different classes is not allowed.
5. NCCC Points do not affect the scoring system of the Great Lakes High Speed Series.
6. NCCC members will receive points for NCCC Sanctioned High Speed Events per NCCC Rulebook.

E. TRACK RECORDS

1. Track Records for each track, based on the High Speed Time Trials, for each NCCC class and each Non-Corvette class will be established, posted, and maintained on the NCCC Michigan Region website.
2. The top 3 competitors in each NCCC class and Non-Corvette class will be posted.
3. Information to be posted will be the name of the competitor, year and model of car, club, region, and fastest lap time.
4. The Series' Records for the particular year will also be posted containing the same information as the individual track records.

F. AWARDS

1. Series Year-End Awards will be per NCCC class and Non-Corvette class, based on the lowest cumulative total time score.
2. Participants must record a time at each track in the Series schedule to be considered for a Year-End Award.
3. Year-End Awards (Men and Women)
 - a. Class FTD Award
 - b. Group FTD Award
 - c. Overall FTD Award
4. Traveling Trophy Award
 - a. Overall Award Champion receives a traveling trophy with his/her name, car, tracks, times, for the year he/she won.
 - b. The traveling trophy is then passed on to the following year's Overall Champion with his/her information for that year.
